To further these purposes, the Company may request a meeting with the Union or an International Representative of the Union may request a conference with the Company's Labor Relations Department at any time to discuss and deal with any general condition that may arise under the application of this Agreement.

Article 02:
SCOPE

- A. Station Agents and employees working at the Company as of the date of this Agreement in the classifications included in the Passenger Service Class or Craft shall remain in the Class or Craft of Passenger Service Employees represented by the Union and certified by the NMB on November 25, 2015 (43 NMB No. 7) (the "Passenger Service Class or Craft"). -

Article 03:
RECOGNITION AND SUCCESSORSHIP

- A. In accordance with Certification Number R-7444 made by the National Mediation Board dated November 25, 2015, the Company recognizes the Communication Workers of America, AFL-CIO (the "CWA"), as the certified bargaining representative of the Passenger Service Employees employed by Envoy Air Inc. (hereafter referred to as the "Company" or "Envoy"), its successors or assigns in accordance with Section 2, Ninth, of the Railway Labor Act (the "RLA"), as amended.

 - C. In the event of any merger of Envoy with another airline where the acquiring airline decides to operationally merge the airlines and which affects the seniority rights of employees covered by this Agreement, provisions will be made for the integration of Seniority Lists in a fair and equitable manner, including, where applicable, agreement through collective bargaining among or between the surviving airline and the representatives of the employee groups. In the event of a failure to agree, the dispute may be resolved in accordance with Section 13 of the Allegheny-Mohawk Labor Protective Provisions.
 - D. The following additional requirements shall be applicable in the event of a merger pursuant to paragraph C above:
 - 1. Unless and until any operational merger is finally effectuated, the Union will continue to be recognized as the representative of the pre-merger Company employees, so long as such recognition is not inconsistent with the Railway Labor Act, as amended, and any applicable rulings or orders of the National Mediation Board.
 - 2. The Company will notify the Union in writing of the merger in a timely manner.
 - 3. The Company or surviving carrier, if different than the Company, shall meet promptly with the Union upon request to discuss the implementation requirements in paragraph D.2 above.

To the extent applicable law is inconsistent with the terms of this Agreement, and such law is not waivable, an employee shall be entitled to the more generous protections provided by applicable law or this Agreement. The Company shall maintain a list of all Laws subject to this provision and may throughout the term of this Agreement update and incorporate a list of such Laws as an exhibit to this Agreement and such updated exhibit shall have full force and effect as if set forth herein verbatim. Article 06:
CLASSIFICATION

- A. Employees covered by this Agreement will be assigned to one of the following Classifications:
1. Customer Service Agent (CSA)
 - a) Above Wing Agent
 - b) Below Wing Agent
 - c) Above/Below Wing Agent
 2. Expediter
 3. Operations/Planning Agent
 4. Bus Driver

Compliance Coordinator (applicable only to those locations where the 43 NMB No. 7 decision dated November 25, 2015 identified such employees as part of the Passenger Service Class or Craft). Should such employees terminate employment or change positions, any new employees hired by the Company to fill those vacancies will not be included in the Passenger Service Class or Craft. In addition, the Company may elect to transfer such duties to a non-represented position provided no affected employee will be furloughed as a result of the transfer.

5. Customer Assistance Representative (CAR)
- B. The Company may elect to create and select Lead positions for any of the above with a premium of \$1.75 per hour worked.
- C. An Agent serving as a Lead in a temporary capacity (maximum of ninety (90) days) shall receive a premium of one dollar (\$1.00) per hour for every hour worked as a temporary Lead.
- D. Employees in the Customer Service Agent Classification or holding Lead positions will bid their schedules separately per Article 17: Schedule Bidding.
- E. Management and/or other employees may perform any work that may be necessary to complete a particular operation. This provision will cover those instances wherein short-term help is required to complete the operation in question due to the nature of the operation and overtime from the work unit on that shift is not readily available. In stations where it is not economically feasible to exclude management from the regular schedule, management may be assigned to cover a shift on a regular basis. A list of these stations will be communicated to the Union on January 15th and reviewed every year on that date. Changes shall be communicated to the Union. The Union shall have the right to challenge the status of any station. The Company, upon request, will provide documentation to justify the status. In no circumstance shall management or other employees be used if it would result in the furlough of an employee.
- F. Contracting Out
- The Company reserves the right to contract out any or all such work covered by this Agreement if by so doing the Company is able to accomplish such work more economically. In the event an employee is furloughed as a result of contracting out work, the Company will endeavor to provide interview opportunities with the contracting company.
-

- G. Employees holding a Lead position as of the effective date of the Agreement may remain in such position for the twelve (12) month period following the effective date of the Agreement. If a Lead position becomes vacant, the Company may replace such position with a management position. At the end of the 12-month period, the Company may transition Lead positions into management positions. Affected Leads will be given a preferential opportunity to interview for the management positions. The Company shall provide the Union with a list of the affected stations where the Lead positions will transition to management positions. Lead Agents accepting a management position in relation to this paragraph will be placed on a written performance improvement plan prior to being removed for failure to meet minimum job expectations (this does not apply to removal for gross misconduct or nonoperational/work environment issues). If a bargaining unit member returns to the bargaining unit (voluntarily or involuntarily) within eighteen (18) months, all the time spent in the management position will be considered occupational seniority time and be added to the time in the management position prior to leaving the bargaining unit for any purpose occupational seniority is used. If a bargaining unit member returns to the bargaining unit (voluntarily or involuntarily) after eighteen (18) months, the time spent in the management position in excess of eighteen (18) months will not count toward occupational seniority.
-

Article 07:
PROBATION

- A. An employee will be on probation for the first one hundred and eighty (180) calendar days of active service, inclusive of training. This period may be extended at the Company's discretion.
 - B. The probationary period can be adjusted in the event a probationary employee is on an approved absence in excess of five (5) days.
 - C. Probationary employees are employees at will and the Company has no responsibility to re-employ any employee separated for any reason during the probationary period. Probationary employees separated from the Company lose all accrued seniority.
 - D. Employees are not eligible for vacation or sick leave credit or accrual until completion of probation, at which time vacation and sick leave accrual will be retroactive.
-

Article 08:
SENIORITY

- A. Company Seniority will begin to accrue on an employee's date of hire with the Company and will be based on length of active service with the Company.
 - B. Company Seniority will govern all employees hereunder for purposes of vacation accrual and vacation bidding.
 - C. Occupational Seniority:
 - 1. For employees in the bargaining unit prior to the effective date of this Agreement: Occupational Seniority will be based upon length of active service in any Classification covered by this Agreement, including length of service prior to the effective date of this Agreement.
 - 2. For employees hired on or after the effective date of this Agreement: Occupational Seniority will begin to accrue on the date the employee commences a position covered by this Agreement.
 - 3. If an employee covered by this Agreement is transferred from one (1) station to another, his Occupational Seniority will not be adjusted.
 - 4. Occupational Seniority will govern all employees hereunder in the case of work schedule preferences (shifts/days off), transfer, reduction in force and recall from reduction in force, provided that the employee is qualified to perform the work in the Classification to which he is assigned.
 - a) As an exception to C.4. above, the Company may assign work schedules (shifts/days off) based on seniority and the needs of the service in seasonal or high risk stations. The Employer will notify the Union of seasonal and high risk stations. There will be justification to qualify as a high risk station.
 - b) As an exception to C.4. above, the Company may assign work schedules to probationary employees until the next bid following the completion of the probationary period. If the Company determines that a probationary employee is sufficiently qualified at the time of the next bid, it may release the employee from the assigned work schedule in order to participate in such bid.
 - D. The Parties agree to the establishment of a Seniority List for the employees covered by this Agreement, including Company and Occupational Seniority. Such list will be furnished electronically to the Union on a quarterly basis.
 - E. Company and Occupational Seniority will be forfeited under the following circumstances:
 - 1. Resignation
 - 2. Discharge for just cause
 - 3. Failure to return to service at the expiration of a leave of absence
 - 4. Retirement
 - 5. Expiration of recall rights
 - 6. Failure to return upon recall from furlough
 - 7. Failure to report to work for three (3) consecutive days without contacting the Company
 - 8. Engaging in other employment while on a Leave of Absence without prior written authorization, which shall not be unreasonably denied
 - 9. Or as otherwise provided in this Agreement
-

10. An employee who, as of the date of this Agreement, accepts a permanent or temporary position with the Company outside the bargaining unit will retain his Seniority for a period of one hundred eighty (180) consecutive days. Such employee may return to his former position and station, if a vacancy exists, within one hundred eighty (180) consecutive days of the day he left the bargaining unit. If such employee works beyond the one hundred eighty (180) consecutive days period, he will forfeit all Seniority. In the case of a specialized position, an employee may be returned to such position, following a permanent transfer at the discretion of the Company.
 - F. Job vacancies subject to this Article may, when necessary, be filled at the Company's discretion temporarily to meet the needs of the service. Temporary is defined as any period of time one hundred eighty (180) consecutive days or less.
 - G. In the event several employees are hired on the same date and have the same Occupational Seniority date, the following agreed upon procedure should be used to determine proper placement:
 1. Occupational Seniority
 2. Company Seniority
 3. Date of Birth
-

Article 09:
COMPENSATION

- A. Employees on the Seniority List as of the date of signing of this Agreement will be compensated in accordance with the wage scale below and in accordance with paragraph H below, if applicable. They will be placed on the scale by seniority using completed years of service and each year on their occupational anniversary date will move up to the next level on the scale until reaching the top of scale.
- B. Lead Premium – Employees appointed to a Lead position by the Company shall receive a \$1.75 per hour premium.
- C. Temporary Lead Premium – Employees appointed to a Temporary Lead position by the Company shall receive a \$1.00 per hour premium.
- D. Compliance Coordinator Premium – Employees appointed to a Compliance Coordinator position by the Company shall receive a \$1.00 per hour premium.
- E.
 - 1. In the event that the Company, in its sole discretion, finds that any or all of its starting pay rates are non-competitive with local market starting rates for similarly situated jobs, the Company may hire applicants at any station at rates of pay higher than those starting rates specified in this Article. As market conditions change, the Company may, in its sole discretion, change its designated starting rate. The designated starting rate may be higher or lower than previous designated starting rates; however, the starting rate may not be lower than Step 1 nor higher than the maximum hourly rate in the applicable pay scale.
 - 2. In the event that the Company elects to increase start rates at a specific location in accordance with E.1. above, the Company may also increase the rates for other longevity steps at the same time.
 - 3. In those stations/bases/locations where higher starting rates of pay are designated in accordance with this Article, all employees in that classification(s) at that station who are receiving less than the new designated starting rate of pay will have their rate of pay concurrently increased to the new designated higher starting rate for that classification(s) in that station/base/location effective the date of hire of a new employee at the higher starting rate.
- F. In addition to the provisions in E.1. above, the Company may, in its sole discretion, move a city into a higher, but not lower, city pay grouping and such employees will receive the higher pay rates associated with that applicable city pay grouping.
- G. Employees covered by this Agreement shall be eligible to participate in the Envoy Air Inc. performance bonus plan as provided to other represented hourly ground employees.
- H. Annual Lump Sum Payments
 - 1. Any employee with at least one (1) year of completed service as of the Date of Signing (DOS) and each DOS anniversary date (“increase effective dates”) who does not receive a base hourly wage rate increase of at least three percent (3%) compared to their base hourly wage rate that was being paid one (1) year prior to the “increase effective dates” of each contract year will be eligible for a lump sum payment of up to three percent (3%) of his previous calendar year’s paid hours, determined as follows:
 - 2. If the new base hourly wage rate is not at least three percent (3%) higher than the base hourly wage rate that was being paid one (1) year earlier, the employee will receive the percentage difference in the form of a lump sum payment.

Example:

If the employee’s new hourly base wage rate on the DOS is \$11.00, and his base hourly wage rate one (1) year prior to the DOS was \$10.75, the percentage increase from \$10.75 to \$11.00 would be 2.3%.

- a) Because the new base hourly wage rate increase on the DOS was not at least 3%, the employee would receive a lump sum payment of the difference between 3% and 2.3%, which equals 0.7%.
 - b) To determine the dollar amount of the lump sum payment, the employee would receive 0.7% multiplied by the previous calendar years' paid hours at his prior base hourly wage rate.
 - c) Assuming the previous calendar year's paid hours were 2,000, the employee would receive the following lump sum payment, less applicable payroll taxes and withholdings:
 $2,000 \text{ hours} \times 0.7\% \times \$10.75 \text{ per hour} = \$150.50 \text{ lump sum payment}$
3. If the new base hourly wage rate is at least three percent (3%) higher than the base hourly wage rate that was being paid one (1) year earlier, the employee will not be eligible for a lump sum payment.

Example:

If the employee's new hourly base wage rate on the DOS is \$11.00, and his base hourly wage rate one (1) year prior to the DOS was \$9.48, the percentage increase from \$9.48 to \$11.00 would be 16%. Because the new base hourly wage rate increase on the DOS was at least 3%, the employee would not be eligible for a lump sum payment.

4. The lump sum payments will be paid no later than sixty (60) days following the DOS and no later than sixty (60) days following each successive DOS anniversary date through the term of the Agreement.
- I. Employees being paid a base wage rate above scale for their years of service on the DOS will be moved to the next higher step on the applicable wage scale until the contract rate for the employee's year of service catches up and exceeds the DOS rate.
Example:
Employee is at a Base Station city earning \$12.35 per hour and is at the 6 Year Longevity Step. On the DOS, the 6 Year Longevity Step base hourly rate is \$12.25 per hour. Since the employee is being paid a base hourly rate above scale on the DOS, the employee will be moved to the next higher step on the wage scale, which is \$12.50 per hour at the 7 Year Longevity Step. The employee will remain at the \$12.50 rate until progressing to the 8 Year Longevity Step, at which time the employee will be paid \$12.75 per hour.
- J. Current employees now receiving a uniform cleaning allowance on the date of ratification will continue to receive the allowance. In the event the legal requirement currently in place no longer obligates the payment of a cleaning fee, the Company may eliminate this payment for any vacancies filled after the effective date of such law or ordinance.
 - K. The Company may elect to establish a seasonal premium.
 - L. With advance notice to the Union, for seasonal stations that have a seasonal reduced flight schedule or do not operate year-round services, the Company may establish a flat seasonal rate, no less than the start rate for all contingent employees.
 - M. The rates of pay for any new station not covered by the wage scales in this Agreement shall be established by the Company using the existing pay scales. The Company shall provide advance notification to the Union of any new station openings and the new wage scale prior to the commencement of recruiting for any positions covered by this Agreement.
 - N. Effective January 1, 2021, the Company shall designate each calendar year no less than eight (8) Revenue Premium Days ("RPD") by location, to be paid at time and one-half (1.5) to employees who would otherwise be paid at straight time rates. This provision shall expire on the day prior to the amendable date, February 15, 2026.
-

- O. The American Airlines Group Inc. Amended and Restated Global Profit Sharing Plan (the “Profit Sharing Plan”) provides a profit sharing arrangement for eligible employees. The terms and conditions set forth in the Profit Sharing Plan shall apply and shall govern the participation of employees covered by this Agreement.

Starting on October 16th through November 15th, each employee will bid for all accrued vacation time based on classification and seniority. The Company will post the final vacation awards no later than December 1st.
 - 2. An employee who does not bid all of their vacation by the bid closing date will be assigned available vacation periods up to the number of vacation hours he has earned but not bid.
 - 3. Upon mutual agreement, local management and local Union Representative may develop an alternative method of bidding and awarding vacation. Either party may elect to revert back to the bidding and award process in D.1. above with reasonable notice to the other party.
- E. Vacation Pay
 - 1. Full-time: The pay for such vacation will be paid at the applicable straight time rate of pay including any premiums for all hours of vacation.
 - 2. Part-time: The pay for such vacation will be paid at the applicable straight time rate of pay including any premiums for all hours of vacation up to a maximum of 20 hours for each vacation week.
 - 3. In the event an employee's status changes from full-time to part-time or part-time to full-time during a current year, his vacation pay will change and will be paid in accordance with either Paragraph E.1. or E.2. above, whichever is applicable to his new status.

Example:

- a) June 4-8 (40 hours)
- b) July 9-13 (40 hours)
- c) August 6-10 (40 hours)
- d) September 10-14 (40 hours)

Effective April 1, 2020 the employee converts to part-time. As of April 1, 2020, he will retain his originally awarded vacation weeks but will be paid up to twenty (20) hours for each vacation week as a part-time employee, rather than forty (40) hours.

F. Cancelled Vacation

The Company reserves the right to cancel and reschedule vacation if necessary to maintain service and will give as much advance notice as possible to the employee, but at least two (2) weeks. In the event a cancelled vacation cannot be rescheduled, the employee shall have the options:

If there are no such periods by the end of the calendar year, the employee will carry his vacation over to the next year.

H. In the event of an employee's death, his earned but unused vacation time will be paid to his estate.

I. If an employee with at least one (1) year of active service voluntarily leaves the Company and provides at least fourteen (14) days' notice, he will be paid for:

1. Vacation accrued but not yet used for the current year, and
 2. Vacation accrued for next year.
-

If the Company elects to pay the employee for such floating holiday the payment will be made no later than April 30th of each year.
-

Article 13:
SICK LEAVE/ON-THE-JOB INJURIES

- A. Sick leave is that time granted to an eligible employee who is incapacitated for the performance of his regular duties by sickness or injury arising from non-occupational causes.
 - B. After completing six (6) months of service, an employee will be initially credited with forty-eight hours for full-time employees [twenty-four (24) hours for part-time employees]. This first credit of paid sick time may be used for the balance of the calendar year in which it is credited. Any unused sick hours may be carried over into the following calendar year(s) up to a maximum of seven hundred twenty (720) hours.
 - 1. After completing six (6) months of service, an accrual of four (4) hours per month [two (2) hours for part-time] will be credited for each active month [fifteen (15) days or more] of service up to a maximum of forty-eight (48) hours [twenty-four (24) hours for part-time employees] per calendar year. Such accrual will be credited on January 1st of the following year.
 - 2. In the event the Company has the ability to accrue and deposit sick time on a monthly basis, beginning with January 1st of a new calendar year and after completion of six (6) months of service, an employee will accrue four (4) hours per month [two (2) hours for part-time]. Upon implementation of this monthly accrual and deposit, a final deposit of forty-eight (48) hours [twenty-four (24) for part-time] will be credited on January 1st concurrent with the implementation of the new monthly accrual. The Union and employees will be notified prior to implementation of this paragraph (B.2).
 - C. The above accrual rate is based on current Company policy as of the date of signing of this Agreement and is subject to future modification on the same basis as applicable to other employees covered by such policy. If there is a change in the accrual rate, all employees on the payroll as of the date of signing this Agreement shall receive no less than the benefits described in the above section.
 - D. The sick leave provided under this Article will be payable only in cases of bona fide illness or injury for non-occupational causes which result in the employee's incapacitation for the performance of his regular duties. Such sick leave will be paid in the following manner:
 - 1. Payment of sick leave will be the pay for the regular daily schedule of working hours, for those days which the employee would have worked but for the disabling sickness or injury, calculated at the applicable base rate of pay. Such payment will commence from the first (1st) work day's absence and will continue until the employee's accrued sick leave is exhausted.
 - E. The Company acknowledges an employee's right to use sick time for the intended purpose. In accordance with Company policy, the use of sick time will not be subject to disciplinary action unless it is excessive or there is evidence to substantiate abuse.
 - 1. It will be the responsibility of the employee who will be absent from work due to illness or injury to report the facts to his immediate supervisor as far in advance of his scheduled shift as possible and in accordance with local procedures.
 - 2. The Company may require medical confirmation whenever circumstances may indicate abuse of sick leave or excessive absenteeism.
 - F. Conversion of Sick Time Accrual
Full-time employees who have 300 hours of sick time accrued may increase their number of vacation days each year by converting forty (40) hours of sick time to five (5) days of paid vacation to be taken in a one-week block only. Part-time employees who have two hundred forty (240) hours of sick time accrued may increase their number of vacation days each year by converting twenty (20) hours of sick time to five (5) days of paid vacation to be taken in a one-week block only.
 - G. Injury-on-Duty benefits will be in accordance with the applicable workers' compensation laws.

 - C. The Company will furnish first aid equipment and necessary safety devices and protective equipment for employees.
 - D. The Company will permit the Union to participate in location-specific and/or multi-workgroup safety committee meetings (i.e., Hub - Passenger Service and Fleet Safety Meetings) hosted by the Company that involves the Company's Passenger Service Agents. In addition, the Company will meet with the Union's system-wide Safety Committee Representatives at least semi-annually. For the purposes of these meetings, the Union may appoint two (2) individuals to participate as committee members.
 - E. The Company will pay a fine levied against an employee through no fault of his own for operating a Company vehicle within the scope of his employment that fails to comply with state or airport regulations. Employees seeking indemnification under this provision must immediately notify the Company in writing and provide a complete copy of the violation and/or citation. Employees failing to do so shall not be entitled to the benefit of this provision.
 - F. The Company will attempt to provide a break room.
-

Article 27:
DISCIPLINE AND DISCHARGE

- A. An employee required by the Company to attend a meeting that may result in his discipline or discharge will be, upon request, entitled to the presence of a Union Representative (in person or via phone), provided that the Union Representative's presence will not cause a delay in the meeting or interfere with the operations of the Company. At such a meeting, the Union Representative will be entitled to ask questions at the end of the meeting and make a statement in the assistance of the employee.
 - B. No employee who has successfully completed his probationary period will be disciplined or discharged without just cause.
 - C. No discipline will be issued without the employee being advised in writing of the basis of the charge(s) against him leading to such action. Such notice, or notice of any other disciplinary action, shall be presented to the employee not later than forty-five (45) days from the time of the occurrence or no more than forty-five (45) days from the date that the Company became aware of the occurrence, whichever is later.
 - D. Employee(s) may be suspended from service with or without pay pending an investigation.
 - E. The Company shall reserve the right to establish reasonable rules for the conduct of employees not inconsistent with the terms of this Agreement.
-

Article 28:
REPRESENTATION

The Union may select and designate an appropriate number of representatives in the respective fields, stations, departments and other working units as may be necessary for the purpose of representing the employee under the terms of this Agreement, or in accordance with the Railway Labor Act, as amended.
 - B. The Union will notify the Company in writing of the names of its Accredited Representatives and Local Officers or any other Union Officials that may be appointed to represent Envoy employees at each station and any changes in the personnel thereof.
 - C. Accredited Representatives or Local Officers of the Union will upon advance notice and coordination with Local Management, have access to the premises of the Company where employees hereunder are located, for the purpose of investigating grievances or other matters directly connected with the operations of the Agreement and its procedures for the settlement of any dispute. These visits will be conducted in a manner which does not disrupt or cause a delay in the operation.
-

Article 29:
GRIEVANCE PROCEDURE

- A. A Union Representative or designated Company Official who believes that any provision of this Agreement has not been or is not being properly applied or interpreted and which has not yet become the subject of an actual grievance, will have the right within ten (10) days after such alleged misapplication or misinterpretation has been ascertained to protest such violation, in writing, to the other party, who will evaluate such protest and render a decision in writing within fifteen (15) days. If no settlement is reached in accordance with the time limits of this paragraph, either party may utilize the grievance procedure below.
1. Prior to the filing of a grievance, an employee is encouraged to discuss any matter with his Supervisor (or Manager in stations with no Supervisor) in an effort to resolve the issue. The employee may request the presence of a Union Representative at such meeting provided the Union Representative's presence will not cause a delay in the scheduling of the meeting or interfere with the operations of the Company.
 2. Any meeting conducted in accordance with this Article may be held via conference call at the request of either the Company Representative or the Union Representative.
 3. Should any difference between the Company and any non-probationary employee as to the meaning and application of the Agreement, or if any other controversy or grievance arises, including those that are not resolved through informal discussions pursuant to Paragraph 1 above, then such difference shall be resolved in the following manner:

Step 1:

- a) The employee, with or without his Union Representative, and/or the Union having such grievance, shall submit the grievance to the designated email address, envoy.cwa.grievance@aa.com within fourteen (14) calendar days of the action giving rise to the grievance, using the grievance form. The Supervisor shall arrange the date and time of the meeting. Should an employee desire that a Union Representative be present to discuss the grievance he/she will notify the Union to arrange for a representative to attend the meeting.
- b) The hearing will be scheduled no later than twenty-one (21) calendar days after the date the grievance was filed.
- c) The Supervisor/Management designee will provide a written response to the grievance (whether resolved or not) within ten (10) calendar days following the hearing.
- d) If the grievance is not satisfactorily settled, then the grievance may be appealed to Step 2.
- e) Notwithstanding the foregoing, any grievance involving discharge only will be submitted to initially to Step 2.

Step 2:

- a) If not resolved at Step 1, the grievance may be appealed in writing by the Union Representative to the next level (General Manager/Director or his designee) within seven (7) calendar days of the Step 1 decision.
 - b) The General Manager/Director or his designee shall meet with the Union Representative, and/or Union's Designee and the aggrieved employee if available within twenty-one (21) calendar days following the notice of appeal.
 - c) The General Manager/Director or designee shall provide an answer in writing via email, or in cases of termination, to the grievant's home address as provided on the grievance form with a copy to the Union, within ten (10) calendar days following the Step 2 hearing.
-

- d) If the grievance is settled or withdrawn, the Union Representative and the Company will put the withdrawal or settlement in writing on the grievance form. If the grievance is not satisfactorily settled, then the grievance may be appealed to Step 3.

Step 3:

- a) If not resolved at Step 2, the Union may appeal to the designated Employee Relations Representative or his designee. Any such appeal must be in writing and must be submitted within seven (7) calendar days following the receipt of the General Manager/Director designee written response. In order for said notice of appeal to be proper and valid it must be sent by the Union to the designated Employee Relations Representative or his designee and the affected General Managers/Director designee of the location at which the grievance occurred.
 - b) A hearing will be scheduled at a mutually agreeable time and date for the Union Representative and designated Employee Relations Representative or his designee, but in no case shall be later than twenty-one (21) calendar days after the Step 2 decision is received. The employee and his General Manager/Director designee will make a good faith effort to resolve the grievance.
 - c) The Employee Relations Representative or his designee will provide a written response to the grievance (whether resolved or not) within ten (10) calendar days following the hearing.
 - d) If the decision issued by the Employee Relations Representative or his designee representative in Step 3 is not satisfactory, the Parties by mutual agreement may advance the grievance to the mediation process as described in paragraph B below, Mediation Process. Should there be no mutual agreement to utilize the mediation process the grievance may be appealed to the Envoy Air, Inc. System Board of Adjustment as provided for in Article 30 of this Agreement; provided however, said appeal is submitted within thirty (30) days of receipt of the decision rendered by the Company or by his designee.
4. All grievances must be submitted as provided in Step 1 above within fourteen (14) calendar days of the Company's action giving rise to the grievance, or the grievance shall be considered to be waived and may not thereafter be submitted for adjustment in any forum. Any grievance that is not appealed from one Step of the grievance procedure to the next Step within the time limits set forth above (unless mutually extended by written agreement) shall be considered settled on the basis of the last decision given and shall not be subject to further adjustment in any forum or collective bargaining. Should the Company fail to meet any of the aforementioned time limits, it will advance to the next appeal Step.
 5. Notwithstanding the foregoing, the Union or the Company may file a grievance affecting multiple employees directly to the System Board of Adjustment within fourteen (14) calendar days from the day that it has knowledge of the action giving rise to the grievance.

B. Mediation Process

The Parties, by mutual agreement, may attempt to resolve a grievance that has been appealed to the System Board process set forth in Article 30 of this Agreement through the following mediation process:

1. The issues mediated will be the same as the issues the Parties have failed to resolve through the grievance process. Multiple grievances may be submitted to mediation together if mutually agreed to by the Parties. The presentation of evidence is not limited to that presented at any previous step of the grievance procedure. The rules of evidence will not apply and no transcript of the mediation conference shall be made.
 2. The grievant(s) will have the right to be present for the presentation of the case. Other attendees will include those individuals needed to present the Parties' positions and to reach agreement with the authority to bind their respective Parties. Non-participating observers will not be admitted except by mutual agreement of the Parties.
-

3. The Company and the Union shall each appoint a principal spokesperson for the mediation conference.
 4. The mediator has the authority to meet both jointly and separately with the Parties; however, the mediator has no authority to compel resolution of the grievance.
 5. Any grievance settled during a mediation conference that is intended to be non-precedent setting shall be so stated in a jointly executed settlement agreement.
 6. If no settlement is reached during the mediation conference, the mediator shall provide the Parties with an immediate oral advisory decision involving the interpretation or application of the collective bargaining agreement, together with the reasons for his decision, unless both Parties agree that no opinion shall be provided.
 7. The advisory decision of the mediator, if accepted by the Parties, shall not constitute a precedent, unless the Parties agree otherwise.
 8. Any written material or documentary evidence presented to the mediator or to the other party shall be returned to the party presenting that material at the end of the mediation conference.
 9. In the event that a grievance, which has been the subject of a mediation conference, is subsequently heard before a system board under Article 30 of this Agreement, the mediator may not serve as the arbitrator, nor may he be called as a witness by either party in such proceedings. During the system board proceedings on such a grievance, no reference will be made to the fact that the grievance was the subject of a mediation conference; nor will there be any reference to statements made, documents provided, or actions taken by either the mediator or the participants during the course of a mediation conference, unless the party offering such statements, documents or actions would have had access or entitlement to them outside of the mediation conference.
 10. By agreeing to schedule a mediation conference, the Parties are not waiving any procedural arguments that they may have regarding the case. Both the Company and the Union reserve the right to raise jurisdictional or procedural issues notwithstanding their agreement to schedule such a conference.
 11. All Parties in the mediation conference, including the mediator, are barred from disseminating information pertaining to the conference and/or individual grievances to the public, the media or like source.
 12. All mediation fees and expenses will be shared equally between the Parties. The mediation conference will be held in the same location, as would a System Board Hearing, unless the Parties mutually agree upon another location. Each of the Parties will assume the compensation, travel expense and other expenses of the mediation participants brought by that party. The grievant, or grievants if multiple grievances are being mediated, and a Union Representative, who are employees of the Company shall receive free round-trip transportation via positive space status over the Company system from the point of duty or assignment to the location of the mediation, in accordance with Company travel policy and to the extent permitted by law.
 13. Mediators will be selected by mutual agreement of the Parties. If the Parties are unable to agree to a mediator or a grievance is not resolved in the mediation process, then the Parties shall proceed pursuant to the system board process under Article 30 of this Agreement unless the grievance is withdrawn.
-

Article 30:
SYSTEM BOARD OF ADJUSTMENT

- A. There are hereby established, pursuant to the provisions of the Railway Labor Act, as amended, boards of adjustment, called the Envoy System Board of Adjustment (the "Envoy System Board").
 - B. The Envoy System Board will be composed of three (3) members, one (1) selected by the Company, one (1) selected by the Union and an impartial arbitrator jointly selected by the Parties. In the event the Parties are unable to agree on a selection of an arbitrator, either party may request the National Mediation Board to provide a list of seven (7) neutrals. The Parties will select one (1) neutral to serve as the third (3rd) member of the board by alternately striking names from the list submitted by the National Mediation Board, with the first strike being determined by the toss of a coin.
 - C. The Company or the Union will have the right to change its representative provided only that the designation of the representative for any particular dispute must be made prior to the start of the scheduled hearing, unless extenuating circumstances require a change.
 - D. The Envoy System Board will have jurisdiction only over disputes between the Company and the Union or any employee governed by this Agreement growing out of grievances involving interpretations or applications of this Agreement as well as discipline and discharge cases arising under this Agreement.
 - E. A dispute submitted to the Envoy System Board will be in the form of a request submitted by either party stating the position of the party submitting the grievance. Union submissions will be submitted to the Company's Labor Relations Department and will be assigned a case number.
 - F. The Envoy System Board will docket cases for hearing based upon the chronological order such grievances are received unless agreed to otherwise, with hearings scheduled on dates mutually agreeable to the Company and CWA. The System Board hearings will generally be held in DFW unless a different location is agreed upon by the Board members.
 - G. The Board may summon any necessary witness(es) and relevant non-confidential records of the Company and the employee involved.
 - H. The advocates will exchange all documents they may enter and the names of witnesses they may call in their direct case no later than forty-five (45) calendar days prior to the date set for all Envoy System Board hearings. Upon mutual agreement, both Parties may waive the days for document exchange and witness names as listed above. Additionally, nothing shall prevent either party from exchanging any or all documents and witness names prior to the calendar days listed above.
 - I. A majority vote of the Board will provide full and complete authority to compromise and otherwise settle any and all grievances presented to it. Any settlement or agreement reached on any grievance will be binding upon the Union, the employee, and the Company. A majority vote of all members of the Envoy System Board panel, as provided herein, will be competent to make a finding or decision with respect to any dispute properly submitted to it and such finding or decision will be final and binding upon all Parties, including the grievant(s), to such dispute.
 - J. The Envoy System Board panel will have no power to amend or modify this Agreement or any written agreements or addenda supplementary hereto or to establish any new terms or conditions of the same.
 - K. The Envoy System Board will keep a complete and accurate record of all matters submitted for its consideration and of all findings and decisions made. Such findings and decisions of the Board will be stated in writing and, in each case, a copy of the finding or decision will be furnished to the Company, the Union, and such employees who are a party to the dispute.
-

- L. All hearing expenses of the Board including those incurred by the arbitrator in the determination of the dispute as herein will be borne one-half by the Company and one-half by the Union. The salary or compensation of the members of the Board, if any, will be paid by the Parties selecting such member; except that Board members who are employees of the Company will be granted necessary leaves of absence without loss of pay to attend Board meetings.
 - M. Board members who are employees of the Company shall receive free round-trip transportation via positive space status over the Company system from the point of duty or assignment to the location of the System Board hearing, in accordance with Company travel policy and to the extent permitted by law.
-

Article 31:
UNION SECURITY AND
MAINTENANCE OF MEMBERSHIP

- A. Each employee now or hereafter employed in any classification covered by this Agreement shall, as a condition of continued employment, within sixty (60) days following the beginning of such employment or the effective date of this Agreement, whichever is later, become a member of, and thereafter maintain status as a, "Member in Good Standing" (as defined in paragraph A.1. below) in the Union except as provided otherwise herein. Such condition will not apply with respect to any employee to whom such membership is not available upon the same terms and conditions as are generally applicable to any other member of the employee's classification, or with respect to any employee to whom membership is denied or terminated for any reason other than the failure of the employee to tender dues uniformly required of other members of the classification, as a condition of acquiring or retaining membership.
1. For the purposes of this Article, a "Member in Good Standing" will mean any employee who is a member of the Union and is not more than sixty (60) calendar days in arrears in the payment of fees and membership dues (not including fines and penalties), or an agency fee payer not more than sixty (60) calendar days in arrears in the payment of his fees.
 2. An agency fee payer is required to pay the Union a service charge for the first month in an amount equal to the Union's regular and usual monthly dues, and for each month thereafter in an amount equal to the regular and usual monthly dues uniformly required as a condition of acquiring or retaining membership. Any employee disputing the calculation of the portion of the applicable service fee corresponding to the Union's costs in negotiation and administering the Agreement and the representation of the employees covered by the Agreement shall communicate such disputes, in writing, to the Union's applicable Secretary-Treasurer who shall handle such disputes in accordance with Union procedures.
- B. All rights of an employee under this Agreement and such supplements and amendments as may apply are contingent upon his or her acquisition and maintenance of status as a Member in Good Standing.
- C. If any employee of the Company covered by this Agreement becomes delinquent in the payment of this service charge or any Union member becomes delinquent in payment of his dues, the following procedure will apply:
1. The Union will notify the employee in writing by certified mail, return receipt requested, that he is delinquent in the payment of the initiation fee and/or membership dues or agency fees, as specified herein, and accordingly, is subject to discharge as an employee of the Company. Such letter will also notify the employee that he must remit the required payment within thirty (30) calendar days of the date of the mailing of the notice, or be subject to discharge. This provision will be deemed to be complied with if the Union sends, but the employee refuses receipt of the above mailing.
 2. If upon the expiration of the thirty (30) calendar day period, the employee still remains delinquent, the Union will certify, in writing to the Vice President – Legal, Labor and Employment of the Company, or his designee, with a copy to the employee, that the employee has failed to remit payment within the grace period allowed and is therefore to be discharged. The Vice President – Legal, Labor and Employment, or his designee, after being presented with the appropriate documentation will take proper steps to discharge such employee from the services of the Company.
 3. An employee discharged by the Company under the provisions of paragraph D. of this Article will be deemed to have been terminated for just cause.
-

-
- D. Any discharge under the terms of this Article will be based solely upon the failure of the employee to pay or tender payment of initiation fee and membership dues or agency fees, as specified in this Article, and not because of denial or termination of membership in the Union upon any other ground.
 - E. Any grievance by an employee concerning the interpretation or application of the provisions of this Article will be exclusively between the employee and the Union pursuant to any internal Union policies or procedures.
 - F. The Union agrees that it will indemnify the Company and save the Company harmless from any and all claims and costs, which may be made by the employee or employees against the Company by virtue of the wrongful application or misapplication of any of the terms of this Article.
 - G. The Company will not interfere with, restrain or coerce employees because of membership or lawful activity in the Union, nor will it by discrimination in respect to hire, tenure of employment or any term or condition of employment, attempt to discourage membership in the Union.
 - H. The Union agrees that neither the Union nor its members will intimidate or coerce any employee in respect to his right to work, in the proper exercise, performance, or implementation of his duties and responsibilities with the Company, or in respect to Union activity or membership.
 - I. The Company agrees to deduct from the pay of each employee who voluntarily executes the check-off form on or after the effective date of this Agreement and remit to the Union the membership dues uniformly required by the Union.
 - J. When a member of the Union properly executes such "Check-Off Form," the Union will forward an original copy to the appropriate official as designated by Envoy Air Inc. Any Check-Off Form which is incomplete or improperly executed will be returned to the Local Union Office which submitted it. Any notice of revocation as provided for in this Article or the Railway Labor Act, as amended, must be in writing, signed by the employee and delivered by certified mail, addressed to their respective Local Union Office. Each Local Union Office will forward a copy to the appropriate official as designated by Envoy Air Inc. for future Union dues withholding. Check-Off Forms and notices received by the Company will be stamp-dated on the date received and will constitute notice to the Company on the date received, and not when mailed.
 - K. When a Check-Off Form, as specified herein, is received by the Company as provided above on or before a given payday, deduction will be made and will commence with the second regular paycheck following said payday, and will continue thereafter until revoked or cancelled as provided in this Article. The Company will remit to the Union a check in payment of all dues collected on a given payday, on or as soon after the payday as possible but in no case later than the month following the calendar month in which the dues were deducted. These remittances will be subject to normal accounting practice with respect to adjustments necessary because of the methods involved in the deduction procedure. The Company remittance of Union membership dues to the Union will be accompanied by a list of member's first name, last name and middle initial (if Applicable), amount of dues, assessment or fees deducted, employee numbers, station location, base rates, classification, and status of full-time or part-time, mailing address, date of hire, and Local Union number. Additionally, the Company will supply information concerning employees who are on leave of absence, have accepted a position outside the bargaining unit, or have terminated employment with the Company. The Company will further provide a list of any employees covered by this Agreement not on the Check-Off to the Union on a monthly basis. The statement will be transmitted in electronic format. The Company will remit all dues and fees for employees who are members of CWA locals or agency fee payer to the CWA in a single remittance.
 - L. When new employees are hired into classifications covered by this Agreement, the Company will furnish to the Union the names, home addresses and location of employment of such employees within thirty (30) calendar days after they are hired. The Company will make arrangements for all new employees coming under this Agreement to have up to two (2) hours during regular working hours to meet with Union Representatives for the purpose of orienting the new employee to the terms of this Agreement. Such meeting will be scheduled in the first week of employment.
-

-
- M. No deduction of Union dues will be made from the wages of any employee who has executed a Check-Off Form and who has been transferred to a job not covered by the Agreement, or who is on leave without pay. Upon return to work within a classification covered by this Agreement, deductions will be automatically resumed provided the employee has not revoked the assignment in accordance with this Article, and provided it is in accordance with the other appropriate provisions of this Article and of the Railway Labor Act, as amended.
 - N. An employee who has executed a Check-Off Form and who resigns or is terminated from the employ of the Company for reasons other than layoff will be deemed to have automatically revoked his assignment and if reemployed, further deductions of Union dues will be made only upon execution and receipt of a new Check-Off Form. Provided, however, that upon return from layoff, leave of absence, or reinstatement from disciplinary discharge to work within a classification covered by this Agreement, deductions will be automatically resumed. In cases where Check-Off is not reinstated by the Company due to mechanical or software errors, the Company will collect the back dues at a maximum of fifty (\$50) dollars per month and remit to the Union, provided the employee has not revoked the assignment in accordance with this Article, and such deductions are in accordance with the other appropriate provisions of this Article and of the Railway Labor Act, as amended.
 - O. Collection of any back dues owed at the time of starting deductions for any employee, and collection of dues missed because the employee's earnings were not sufficient to cover the payment of dues for a particular pay period, will be the responsibility of the Union and will not be the subject of payroll deductions.
 - P. Deductions of membership dues will be made in a flat sum from each paycheck provided there is a balance in the paycheck sufficient to cover the amount after all other deductions authorized by the employee or required by law have been satisfied. In the event of termination of employment, the obligation of the Company to collect dues will not extend beyond the period in which his last day of work occurs.
 - Q. The Union agrees to notify the Company of changes in deduction amounts that affect a group of employees ninety (90) days or more prior to the month in which such changes are to occur. The Union and the Company shall keep each other informed of their respective duly authorized representative for the purposes of this paragraph and shall promptly notify each other of any change of such representatives.
 - R. Eligible employees of the Company who are members of CWA locals may make voluntary contributions through payroll deduction to CWA's Political Action Fund (PAF), a separately segregated political action committee sponsored by CWA. Eligibility to participate in PAF through the payroll deduction program is restricted to those employees of the Company who are certified by CWA as eligible to participate under applicable federal and state laws. Participation by any such employees shall be on a voluntary basis and employees shall be so informed by the person soliciting their participation on behalf of CWA. The CWA shall be responsible for notifying the Company promptly when any such employee is no longer eligible to participate. Each employee volunteering for PAF will complete a Deduction Form with the dollar amount to be deducted from each paycheck, which will be furnished to the Company. The Union shall deliver a Standard Deduction Form to the Company that the Parties mutually agree complies with applicable law, if any. This will become effective with the implementation of the new payroll system.
-

Article 32:
AUTHORIZED UNION BUSINESS

- A. Union Representatives who are employees of the Company will be allowed necessary time for authorized Union business during working hours at their assigned station, consistent with the needs of service as determined by the Company. Authorized Union business is that relating to the investigation of grievances or potential grievances, disciplinary interviews, disciplinary action hearings and grievance meetings with officials of the Company. In the conduct of authorized Union business, the representative will request permission to be absent from his Station Manager, or designee, provide the reason therefore, and notify his Manager of his return. The conducting of authorized Union business will not interfere with the operations of the Company.
 - B. No employee selected as steward or representative of the Union will be discriminated against for lawful activity on behalf of the Union.
-

Article 33:
NO STRIKE - NO LOCKOUT

- A. It is the intent of the Parties to this Agreement that the procedures set forth herein and in the Railway Labor Act, as amended, for the resolution of disputes will serve as a means of peaceable settlement of all disputes that may arise between them and that, therefore:
1. From the effective date of this Agreement through thirty (30) days following the date, if any, that the Parties are released from mediation by the National Mediation Board in connection with negotiations for a successor Agreement (the "Release Date"), neither the Union nor the employees covered hereunder, both individually and collectively, will authorize, cause, sanction, or engage in any strike or job action against the Company, illegal picketing of the Company's premises, slowdown, sit-down, walkout, work stoppage, or curtailment of or any interference with work of any kind. If any Local of the Union and/or employee(s) violate this Article, the International Union will immediately take steps to effect a prompt resumption of work and the employee(s) who violate this provision will be subject to discipline, up to and including termination; and
 2. The Company will neither cause nor permit any lockout of employees covered hereunder during the term of this Agreement.
-

Article 34:

- A. Within forty five (45) days after signing this Agreement, the Company will publish an electronic copy of this Agreement on the Envoy portal. The Company will provide a formatted copy of the final Agreement to the Union for printing.
 - B. In the event free parking facilities for employees are not available at airport locations, the Company will assume the monthly parking charge, assessed by the appropriate authority (i.e., airport, port, etc.) for parking in an area designated for employees. This provision will not apply to replacement or original charges to employees for decals, stickers, gate keys, or similar items. Also, where other transportation to and from employee parking facilities is recognized and approved by the Company as an integral part of the employee parking arrangements, that transportation will be at Company expense.
 - C. No employees will incur any cost associated with the initial issue or renewal of Company or associated Airport/Base required ID badges. Lost badges will be replaced at the expense of the employee.
 - D. With reasonable advance notice and upon request, an active employee will be granted access to view his individual employee personnel records in the presence of a manager. The employee may be accompanied by a Union Representative. Both the employee and the Union Representative may take hand-written notes, but will be prohibited from making copies or taking pictures of the content of the records.
 - E. All formal agreements, amendments, deletions and additions to this Agreement will be made by written mutual agreement and signed by the designative representative(s) of the Company and CWA. The Parties shall advise each other in writing of those individuals authorized for this purpose.
 - F. Depending on the specific job duties being performed, employees covered under this Agreement shall be subject to the Company's DOT and non-DOT drug and alcohol testing policies. Such employees covered under these policies shall be tested in the same manner as other employees who are not represented by the CWA but are also subject to testing under each respective policy.
 - G. A place shall be provided inside of each station marked "Communications Workers of America" where official Union notices of interest to the employees may be posted. However, no political circulars or advertisements will be posted and no postings will contain anything of a defamatory or personal nature attacking the Company, its Parent or affiliates (including subsidiaries of its Parent), employees or representatives.

LETTER OF AGREEMENT #1 MIAMI CUSTOMER ASSISTANCE REPRESENTATIVES (CAR)

WHEREAS, the Company and Union wish to formalize certain work duties and compensation rates for Customer Assistance (CAR) employees in MIA, and to establish wage rates applicable to any expansion of CAR employees at other Locations;

WHEREAS, the Company acknowledges that the new classification of Customer Assistance Representative is included in the Class or Craft of Passenger Service Employees represented by the Union and certified by the NMB on November 25, 2015 (43 NMB No. 7) (the "Passenger Service Class or Craft").

NOW THEREFORE, the Parties agree that this letter shall confirm the following terms and conditions for CAR employees. Unless specifically stated otherwise, all terms and conditions applicable to other employees in the Passenger Service Class or Craft, and all terms and conditions of the Collective Bargaining Agreement (CBA), shall apply to employees in the new CAR classification.

1. New hires or existing employees who transfer to a CAR position from another position that will be covered by the CBA or from a position outside of the new bargaining unit shall be paid at the start rate of the CAR wage scale, regardless of Company or Occupational seniority.
 2. The wage scale for the CAR position shall be set forth in Article 9 of the CBA.
 3. The Company may elect to increase the CAR wage rates at any longevity step at any location in order to address location-specific recruiting and/or retention issues.
 4. Employees who transfer to a CAR position or new employees who are hired by the Company into a CAR position shall be frozen in the position for a period of one (1) year. The Company may elect to waive or reduce the period of the freeze. If multiple waivers are granted at any given location, such waivers will be granted **in** order of Occupational seniority.
 5. The Company may defined duties of the CAR position provided such duties do not substantially overlap with the functions of Agents. **T**he Parties agree that the CAR position is intended to support, not replace work performed by Agents.
 6. Duties of the CAR position in MIA will consist of the following:
 - assisting boarding, deplaning, and transporting non-ambulatory or other special assist passengers;
 - assisting, boarding, deplaning and transporting unaccompanied minors;
 - assisting customers needing special assistance or in-station transportation;
 - other duties as may be assigned, including any duties currently being assigned to employees who performed CAR functions as part of their regular duties prior to the creation of the new CAR position.
 7. The Company may cross-utilize Customer Service Agents, if qualified to perform CAR duties to protect the integrity of the operations (i.e., if there are no CAR employees available to offer or assign the work without causing a flight delay). Customer Service Agents who are utilized for this purpose shall be paid their applicable rate of pay.
-

8. A current employee who transfers to a CAR position with a vacation balance for the remainder of any given calendar year may bid any open CAR vacation slots. If insufficient slots are available, the Company will assign the vacation based on operational needs after receiving input from the transferring employee regarding vacation preferences.
9. As we have discussed in the negotiations for the Agent Collective Bargaining Agreement, the current wage scale for the Customer Assistant Representatives wheelchair positions reflects the limited gratuities received. While it remains against policy to solicit gratuities, Customer Assistant Representatives may accept unsolicited gratuities. In the event this current policy (in which Customer Assistant Representatives are prohibited from soliciting or encouraging gratuities from passengers but may accept unsolicited gratuity from a passenger having first attempted to graciously decline such offer) is amended to prohibit the acceptance of any gratuity, the Customer Assistant Representative wage scale will equal steps 0, 1, 2, 3 and 4 of the Other City wage scale for Customer Service Agents.

NOW THEREFORE, the Parties agree as follows:

To the extent the law prohibits this arbitration agreement or any portion thereof, then such controversy or claim will be decided in the appropriate forum in accordance with applicable law, except as otherwise provided below.
 2. Controversies or claims subject to arbitration under this Article include all wage and hour (or related) claims under state law or local law or the federal Fair Labor Standards Act including but not limited to laws governing: wage or hour or labor standards which may include but are not limited to claims involving: meal periods, rest breaks, minimum wages, overtime wages, unpaid wages including working "off the clock", incorrect rates of pay, payment of last paycheck, wage statements, reimbursement of expenses (e.g., tools, uniforms, cell phone charges, mileage and subsistence, etc.), recordkeeping violations, travel time, vacation time, sick time, heat illness recovery, timely payment of wages, waiting time penalties, recordkeeping of personnel files, time records, manner of clocking in and out, and payroll records, suitable seating and other workplace environment claims.

7. The Arbitrator shall apply appropriate law in rendering decisions based upon local, state, federal, or wage and hour claims including all types of remedies under those laws. In a hearing regarding a wage and hour grievance, or other claim under state, local, or federal law, the Arbitrator may order any discovery deemed necessary to explore the disputed issues and address any discovery issues that may arise.
8. If Paragraph 7 is found to be unenforceable with respect to any particular claim, then that claim shall not proceed in arbitration but rather will be resolved in a court of competent jurisdiction. If that happens, however, Paragraph 7 will still be fully enforceable as to all other claims, which must be resolved in arbitration on an individual basis. Any arbitrable claims will be resolved before nonarbitrable claims, which will be stayed pending the arbitration of arbitrable claims. If any other provision of this Article is invalid, illegal or otherwise unenforceable, the validity, legality and enforceability of the remaining provision of Letter of Agreement will not be affected or impaired.

LETTER OF AGREEMENT #6 NMB CERTIFICATION AND REPRESENTATION

Agreement
between
ENVOY AIR INC.
and
THE COMMUNICATIONS WORKERS OF AMERICA, AFL-CIO

THIS AGREEMENT is made and entered into by and between Envoy Air, Inc. (the "Company") and the Communications Workers of America, AFL-CIO (the "Union") (collectively, the "Parties").

WHEREAS, on May 12, 2015, the Union invoked the services of the National Mediation Board (the "NMB") to investigate and determine who may represent the "Passenger Service Employees (Includes Station Agents)" of the Company for purposes of the Railway Labor Act ("RLA") (Case No. R-7444);

WHEREAS, on September 17, 2015, the NMB Investigator issued a ruling;

WHEREAS, on November 10, 2015, the NMB overruled the Investigator's September 17, 2015 ruling in part and determined that Station Agents who are cross-utilized are also eligible (43 NMB No. 5);

WHEREAS, on November 25, 2015, the NMB certified that the Union "has been duly designated and authorized to represent for the purposes of the RLA, as amended, the craft or class of Passenger Service Employees, employees of Envoy Air, Inc., its successors and assigns" (43 NMB No. 7);

WHEREAS, the Parties desire to address in a manner consistent with the NMB's decision whether certain employees will remain in the craft or class of Passenger Service Employees certified by the NMB on November 25, 2015 (43 NMB No. 7) as a result of certain operational changes at the Company and as a result of the Company adding new stations;

THEREFORE, the Parties agree, consistent with the NMB's decision, as follows:

- A. Station Agents and employees working at the Company as of the date of this Agreement in the classifications included in the Passenger Service Class or Craft shall remain in the craft or class of Passenger Service Employees represented by the Union and certified by the NMB on November 25, 2015 (43 NMB No. 7) (the "Passenger Service Class or Craft"). The Parties agree, however, that this is subject to change in accordance with the terms of this Agreement.
 - B. Station Agents and employees working at the Company in the Passenger Service Class or Craft who voted in the certification vote that resulted in the NMB certifying the Union on November 25, 2015, and who work in BNA, IAH and PIT shall remain in the Passenger Service Class or Craft, but as such Station Agents and employees at BNA, IAH and PIT
-

terminate employment or change positions, any new employees hired by the Company to fill those vacancies at BNA, IAH and PIT will not be included in the Passenger Service Class or Craft.

- C. At any new stations added by the Company after the date of this Agreement, Station Agents and employees in the classifications included in the Passenger Service Class or Craft shall only be included in the Passenger Service Class or Craft if they either perform solely passenger service work (i.e., only above the wing work) or are "cross-utilized" as defined by the NMB in its November 10, 2015 decision (i.e., they perform both above the wing and below the wing work), but shall not be included if they either perform only below the wing work or perform below the wing work and Baggage Service Office work.
 - D. At existing stations as of the date of this Agreement, if the mix of passenger service work changes such that the only passenger service work performed is Baggage Service Office work, current CWA represented employees working at the Company as of the date of the change to only Baggage Service Office work will remain in the Passenger Service Class or Craft, but as they terminate from employment or change positions, any new employees hired by the Company to fill those vacancies at such stations will not be included in the Passenger Service Class or Craft.
 - E. This Agreement constitutes the entire agreement between the Parties with respect to the subject matter of this Agreement, and there are no inducements, representations, warranties, or understandings that do not appear within its terms and conditions.
 - F. This Agreement may be modified only by the written agreement of the Parties.
 - G. This Agreement has been negotiated and drafted jointly by the Parties and therefore shall be interpreted without any strict construction in favor of or against any of the Parties.
 - H. Disputes Regarding Application/Interpretation
 1. The Company and Union are currently negotiating a collective bargaining agreement governing the craft or class of Passenger Service Employees certified by the NMB. Any dispute that arises between the Parties regarding the interpretation and/or application of this Agreement after such collective bargaining agreement has been negotiated and ratified shall be subject to the grievance and arbitration provisions in that collective bargaining agreement.
 2. To the extent a dispute arises between the Parties regarding the interpretation and/or application of this Agreement before a collective bargaining agreement has been negotiated and ratified, the Parties shall mutually agree on an arbitrator or in the absence of an agreement, shall request from the NMB a list of arbitrators with substantial experience under the RLA. The Parties shall complete their strike of the list within ten calendar days of the Parties' receipt of the list.
 3. Arbitration hearings shall be held in proximity to the Dallas-Fort Worth airport, unless mutually agreed to otherwise by the Parties.
-

4. The Parties shall divide equally the costs of the arbitrator, hearing facilities, and any stenographic services.
5. The arbitrator shall deliver his or her opinion and award within 60 calendar days of the conclusion of the arbitration hearing.

IN WITNESS WHEREOF, the Parties hereto have signed this Agreement this 31st day of October, 2017.
